

This Silent Complaint Form is sponsored by the T.A.L.L. Team of the New Kensington/Arnold Weed and Seed Program. It is an attempt to promote citizen involvement in revitalizing our community.

Your participation in this initiative will develop our community, making it not only a safer place, but more attractive, clean and economically viable.

We are partnering with the Police and other law enforcement officials, the Code Enforcement Officers and the Public Works Department. In doing so, our goal is to clean up our neighborhoods of criminal, illegal, and suspicious activities.

By using this form, you can pass on the necessary information ANONYMOUSLY to the appropriate authorities to report these activities which continually threaten our community.

These tip sheets will be used by the appropriate city departments to investigate the reported situation, activities and/or violations.

Please visit our Web site at www.nkaweedandseed.com for more information regarding the New Kensington/Arnold Weed and Seed Initiative.

THINGS TO LOOK FOR:

Patterns of behavior in your neighborhood that make you suspicious.

Let common sense be your guide.

Example: One strange car may simply be an out of town visitor; many brief stops may be a sign of suspicious activity.

- Unusual late night traffic or activity.
- Exchanges of money and packages from curbside to car window.
- Car horn "signals."
- Sharing of substance among a group.

SOME ADVICE:

Do not attempt to confront any individuals that you suspect no matter how insignificant it may seem (ex: playing loud music from a vehicle parked in front of your house). In that case, when it must be immediately addressed, call 911.*

**This advice comes specifically from our local law enforcement officials.*

Thank you for your help!
Working together, we can make a difference in our community.
